

ROYAL CHEMICAL

blended → packaged → delivered = solutions

ROYAL CHEMICAL

IS YOUR
**FRACKING
ADVANTAGE**

Royal Chemical's local chemical blending capacity give you the edge with your customers for proprietary fracking chemicals in The Ohio/ Pennsylvania shale gas market.

Our On Demand production allows us to make what you need, when you need it.

Founded in 1938, Royal Chemical is a privately owned custom chemical blender, toll and contract manufacturer. We offer extensive liquid and dry manufacturing capabilities. With a wide range of products in many industries, we blend, package and deliver your solution.
